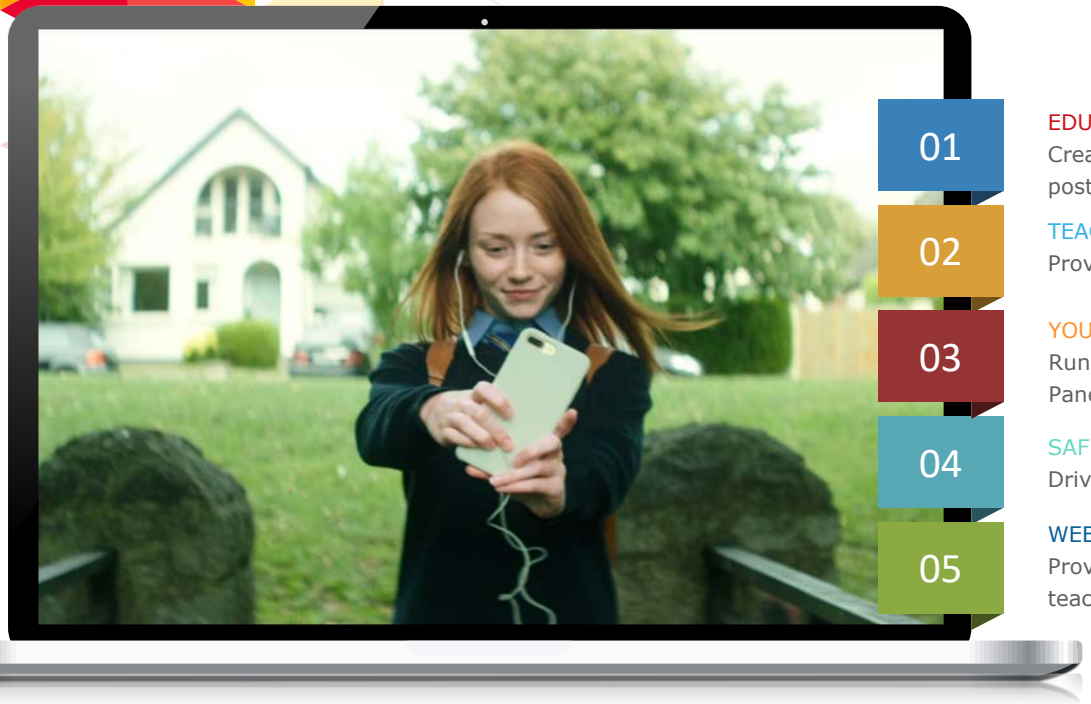
PROMOTING A SAFER, BETTER INTERNET

OUR APPROACH



01

02

03

04

05

EDUCATIONAL PROGRAMMES

Create free curriculum aligned educational resources for primary and post-primary schools.

TEACHER TRAINING AND CPD

Provide information, advice, CPD for teachers and school leaders.

YOUTH TRAINING PROGRAMMES

Run a peer-led internet safety training programme and Youth Advisory Panel.

SAFER INTERNET DAY

Drive and promote participation in Safer Internet Day.

WEBWISE PARENTS

Provide free, up to date, trending information and advice for parents, teachers and young people.

HTML HEROES

Play HTML HEROES and make your way through lots of fun interactive puzzles and activites.

1. Welcome to the Internet

Introduce pupils to the internet and how it works while also considering online wellbeing and screen time.

Start

2. Searching the Internet

Equip pupils with different strategies for avoiding harmful content when searching the internet.

Start

3. What can I trust online?

Encourage pupils to question what they see on the internet.

Start

4. Webwise Quiz

Assess your pupils ability to access information on the internet without taking unnecessary risk.

Start

5. My Information Online

Consider what privacy means when using games, signing up to apps/website/social networking sites.

Start

6. Respectful Communication Online

Outline appropriate coping strategies for pupils when dealing with harassment online and foster a sense of respect and care for others.

Start

7. Anonymous Online

Raise awareness about interacting with people online along with rules about meeting up with online contacts or friends.

Start

8. Chatwise Assessment

Assess your pupils ability to communicate and engage with others online without taking unnecessary risk.

Start
